'MY LANGUAGE COACH' MLC, BARCELONA

The GRACIA district is located in the centre of Barcelona, near the metro station *Diagonal* and *Passeig de Gracia*. Gracia is a popular place to meet that offers a wide-ranging and captivating picture of local life. Small craftsman's workshops, corner bars, countless mom and pop shops and many places where families, artists and musicians gather in the evening are typical of GRACIA.

In the middle of this lively district is the local language school 'MY LANGUAGE COACH' (MLC).

Here, both natives and foreigners learn Spanish, Catalan and English. In addition to language classes, MLC offers students the feeling of having 'arrived'.

Teaching students the Spanish language and guiding them as they experience Barcelona is an important part of the 'BIES' - BARCELONA IMMERSION EXPERIENCE IN SPANISH - programme.

Experienced university-trained instructors teach Spanish in a way that everyone enjoys. In addition to daily group lessons, in the evening you will be introduced to many new and interesting facts about Spanish life along with a local tour guide. And of course, all of this in Spanish!
